Spring

Spring time!

We are truly hoping spring is soon because we are watching a horrible ice storm outside. We're ready for some nice weather and some sunshine.

If you are still interested in joining us for Mother's Day, we have a few tables of two left in the afternoon on Saturday May 12 for our special menu.

The Royal Wedding of Harry and Megan is fast approaching. We will be celebrating in true royal fashion with a special menu on May 19th. Our Royal events are always a wonderful time so please join us in your best hats and fascinators. Also don't forget to pre-order your scones for the Friday to enjoy while watching this historic event.

We have a Facebook page and Instagram page @thetearoomstreetsville. Please follow us to keep up with events & new items available in our store.

Melanie and Nina
